SOFTWARE TESTER (M/W/D)

Place of employment:
| St. Johann i.d. Haide |
| Full time | Part time |

We live our dream of sustainability, offline and online and there is a lot of technical know-how behind the production, distribution and marketing of our fresh products, to bring our dream to the customers. Our standards are high when it comes to quality and the technology we use to make things work perfectly. The company "SoFresh IT Solutions" is responsible for the ongoing development and maintenance of the IT infrastructure for RINGANA, which includes the development of software products as well as IT administration and internal IT support.

ABOUT
RINGANA

FRESH, EXCELLENT, TRENDSETTING:
These are the values of RINGANA. Each of these three values is truly anchored in our DNA and stands for what we are, what we do, what we are becoming, and how we differentiate ourselves.

We produce fresh cosmetics and supplements from natural ingredients, attach great importance to the use of highly effective, antioxidant-active ingredients from nature thus avoiding synthetic preservatives and all additives. All RINGANA products are lovingly handmade and shipped directly from the campus in St. Johann in der Haide (Styria). We started out in a small laboratory, but now we are present in many countries and have around 500 employees.
