

DEVOPS ENGINEER (M/W/D)

Place of employment:

| Vienna | St. Johann i.d. Haide |

| Full time |

We live our dream of sustainability, offline and online and there is a lot of technical know-how behind the production, distribution and marketing of our fresh products, to bring our dream to the customers. Our standards are high when it comes to quality and the technology we use to make things work perfectly. The company "SoFresh IT Solutions" is responsible for the ongoing development and maintenance of the IT infrastructure for RINGANA, which includes the development of software products as well as IT administration and internal IT support.

ring(benefits)

1. Modern, attractive and innovative workplace
2. Great and pleasant working atmosphere in an ultra-modern office, production and logistics building with a friendly company culture.
3. RINGANA Competence Development Programme with internal and external training and development opportunities
4. Free lunch at the RINGANA Campus or meal allowances at our location in Vienna and free coffee
5. Flexible working hours (flexitime, no core hours) and home office options for registered employees
6. Preventive benefits and health measures (e.g. free company training)
7. Free parking spaces and e-bike rental at the RINGANA Campus or public transport/air conditioning subsidy for our crew in Vienna
8. Private and discounted use of the e-charging stations at the RINGANA Campus
9. Crew and team events such as after-work, summer party, Christmas parties, etc.
10. Team budget for departmental activities
 - Developing and implementing CI/CD strategies for cloud backends and native clients
 - Implementing build pipelines
 - Defining and implementing automated quality gates together with stakeholders
 - Monitoring and optimizing deployed applications
 - Working in a Scrum team

What you offer

- Completed secondary vocational school or bachelor's degree in computer science, or equivalent relevant work experience

- Advanced in using scripting languages and terminals (bash, cmd, Windows PowerShell,...)
- Detailed understanding of software builds and build automation, as well as experience with common build tools (MSBuild, .NET Core SDK, Maven, Make,...)
- Experience with cloud provisioning and Infrastructure as Code (IaC) platforms (Pulumi, Terraform, Rancher) is an advantage
- Experience with .NET Core and .NET Framework is an advantage
- Experience with Microsoft Azure is an advantage
- Experience with Bitbucket, JIRA, Bamboo and TFS/Azure DevOps is an advantage

Our employees come with their own personality, talent and commitment, but for legal reasons, we are obliged to print the standard minimum monthly salary for this position, which is € 2,556 gross (KV for employees of companies in the field of services in automatic data processing and information technology). As we value experience and qualification – and because we know each person is unique - we will be more than open to better compensate the ones who excel standards.

ABOUT RINGANA

ABOUT RINGANA

FRESH, EXCELLENT, TRENDSETTING:

These are the values of RINGANA. Each of these three values is truly anchored in our DNA and stands for what we are, what we do, what we are becoming, and how we differentiate ourselves.

We produce fresh cosmetics and supplements from natural ingredients, attach great importance to the use of highly effective, antioxidant-active ingredients from nature thus avoiding synthetic preservatives and all additives. All RINGANA products are lovingly handmade and shipped directly from the campus in St. Johann in der Haide (Styria). We started out in a small laboratory, but now we are present in many countries and have around 500 employees.
